This amount also included the provision for the purchase of books to the extent of Rs.250/- by the medical officer and the amount was directed to be paid to him on production of vouchers in token of having purchased the books. Courese at the time he applied to the Dean, Madras Medical College, Madras for payment of the amount authorised by the Secretary, Further Education Board, ~~in the~~ Madras in the year 1951. The Medical Officer represented that he had purchased the books but the vouchers for the books purchased could not be produced ~~at~~ at ~~that~~ time, and requested that the amount sanctioned to him might be paid exempting him from production of vouchers. The Director of Public Instruction, Madraw who was requested to consider the grant of exemption stated in his letter No.333-Mc1/53, dated 16-3-1954 that the Medical Officer was not eligible for book allowance as vouchers for the purchase of books were not produced as required in paragraph 4 of the proceedings of the Secretary, Further Education Board sanctioning the concession. The Medical Officer who was accordingly informed represented again that the Government might be addressed for the grant of necessary exemption from production of vouchers. A copy of his petition, dated 26-5-1954 is enclosed for the information of Government. In the circumstances stated by him, I recommend that the necessary exemption from the production of vouchers may be granted and that the Accountant-General, Madras may be instructed to admit the claim of the Medical Officer.

Sub: WAR - Educational concessions to ex-service personnel - concessions under Further Education Scheme - Dr.K.P.Abdul Khader, Civil Assistant Surgeon, Manantoddy.

Ref: Government Endorsement No.70987.E4/54-1 dated 27.7.1954.

Dr. K.P. Abdul Khader was granted educational concessions under G.O.Ms.1167 Education dated 12.6.1946, in proceedings Roc.1674.W1/49 dated 12.5.1951 of the Secretary, Further Education Board, for the D.P.H.Course undergone by him in the All India Institute of Hygien and Public Health, Calcutta, in 1949-50, with reference to G.O.No.1174 Education dated 30.4.1951, as a special case, since he was already granted educational concessions under the Further Education Scheme for the condensed M.B.B.S., Course. While sanctioning the concessions, the Dean, Madras Medical College was authorised to disburse the amount of Rs.500/- towards the purchase of books. ~~after obtaining the vouchers therefor.~~

2. It is submitted, in this connection, that Dr. K.P. Abdul Khader was already in receipt of educational concessions under the Further Education Scheme for the condensed M.B.B.S., course and had applied in time for concessions for the D.P.H. course. The question of award of educational concessions for the D.P.H. course was under correspondence, till Government agreed, in G.O.No.1174 Dated 30.4.1954, to meet half of the expenditure. Having applied for educational concessions in time and having enjoyed educational concessions previously, he should have preserved the vouchers for the books purchased by him, so as to enable him to claim the book allowance after the sanction of concessions. This was not done. The Director of Medical Services was informed in this office letter Rc.223.Mcl/53 dated 16.3.1954, that, in the absence of vouchers in support of the books purchased, Dr. Abdul Khader was not eligible for book allowance. Against this order, the Doctor has put in the petition to the Director of Medical Services.

The Director of Medical Services has recommended in his letter No.4o388.E2/54 dated 14.7.1954 to Government that exemption from the production of vouchers may be granted, as Dr. K.P. Abdul Khader is unable to produce the vouchers for the books purchased in 1949. It is submitted that the production of vouchers of purchase in respect of books for a frofessional course is always insisted on as a proof for the actual purchase of books. This essential and fundamental check cannot

be waived in any case. It cannot also be said that Dr. Abdul Khader had no experience of submitting vouchers in this manner, as he had been in receipt of concessions previously for the condensed M.B.B.S., course, for which production of vouchers was insisted upon ~~so far~~. The Director of Medical Services may therefore be informed that book allowance of Rs.250/- may be deducted, and the balance of Rs.642.12.0 may be disbursed to Dr. K.P. Abdul Khader.

ORDER:Ms. 339 dt. 5/3/57

In the circumstances stated by the D.M.S. the Govt. exempt as a special case Dr. K.P. Abdul Khader from ~~the production of~~ producing vouchers for the payment of maintenance and Book allowance in connection with his study in the All India Institute of Hygiene, Calcutta for the D.P.H. course in 1949-50.

2. The A.G. Madras is ~~hereby~~ requested to admit the above claim of the Medical Officer.

War - Educational concessions- Maintenance allowance and Book allowance - Dr. K.P.Abdul Khader, Civil Asst. Surgeon, Manantoddy Exemption from the production of Vouchers.

From the D.M.S. Ref.46388.E.2/54 dated 14.7.54.
From the D.P.I. Rc.223 Mc1/53 dated 13-10-54.

Dr. K.P.Abdul Khader, Civil Asst. Surgeon, Manantoddy was granted an allowance of Rs.892-12-0 in connection with his study in the All India Institute of Hygiene, Calcutta for the D.P.H. course in 1949-50. This amount included the provision for the purchase of books to the extent of Rs.250 and this amount was to be paid to him on production of vouchers in support of the purchase of books for the course. The Medical Officer has represented that he had purchased the books as far back as 1949 and that it is impossible for him to produce the vouchers now and has requested that necessary exemption may be granted to him from the production of vouchers for the books purchased by him. The D.M.S. recommends the request.

The D.P.I. who was consulted has stated that Dr. Abdul Khader was already in receipt of educational concessions under the Further Education Scheme for the condensed M.B.B.S. Course and had applied in time for the D.P.H. course. The question of award of educational concession for the D.P.H. course was under correspondence till the Govt. agreed in G.O. No.1174 Edn. d/- 30.4.54 to meet half of the expre. The Director is of the view that having applied for educational concessions in time and having enjoyed the concession previously he should have preserved the vouchers for the books purchased by him and that in the absence of vouchers in support of the books purchased Dr. Abdul Khader is not eligible for the book allowance. The D.P.I. says that it cannot be said that Dr. Abdul Khader had no perience of

submitting vouchers in this manner as he had been in receipt of the concessions previously for the condensed M.B.B.S. course for which production of vouchers was insisted upon. He therefore recommends that the D.M.S. may be asked to deduct the book allowance of Rs.250 and to disburse the balance of Rs.642-12-0 to Dr.Abdul Khader.

In G.O.954 Health, d/-22.3.52 certain Health officers (War Service candidates) who underwent the course for B.S.Sc. degree were permitted to draw the book allowance due to them without the production of vouchers on the ground that they were unable to produce the vouchers for the purchase of books as they underwent the course before the orders were issued in the matter. This case seems to be analogous to that disposed of in G.O.954 Health, d/-22.3.52. It is therefore for consideration whether similar exemption will be granted to Dr.Abdul Khader. Finance may see for remarks.

Finance Dept. have accepted this Dept's proposal at 'A' above. A draft order is submitted
